“ Kim is my sister, we had a lot of good times when we were young . An when we got older we grow apart, a time it was dew to the fact that she moved to Tn. But we still kept in touch, one way or another. When they moved back, we still just mostly called each other every now and then. I LOVED her with all my heart, and still do. She is now in heaven with my brother ,grandfather's, grandmother's and all the cuzzin that passed . I will miss her ,and I miss each and everyone of them that is in heaven waiting to see me one day. LOVE Y'ALL see you'll sooner or later.
