“ Jenny and Melanie. I go way back with your dad, and more so with your mom. 'Before they were married and just dating. I loved those two people. I always thought they made the perfect couple! And, such a handsome couple! Together, they are resting in peace. May the fondest memories warm your hearts. My sincerest condolences.

“ I worked Wayne many years ago at Dairymen, Inc., during high school. I learned a lot from him, and enjoyed being around him. He made the work day fun. Wayne always treated me well. Haven't seen him in many many years, but have never forgotten him. May his soul rest in peace, and may his family be at peace.
