“ *To the Magee Family, please accept my family's condolences on the death of Larry; he has now joined the church triumphant. He and Ricky both were always so kind to our family. I remember as a child being dropped off at the barbershop around the street and being told by my father to meet him at Magee Furniture when the barber was finished, where I always found them engaged in conversation. Such pleasant memories of the entire Magee family.*

“ I am so sorry that i have no idea that it was larry that he died. i was shocked to see his name on this website. we used to go to the furniture store to choose any furniture or whatever that is what my mother Ruth Ard shopped for. my symathy is with you and your brother Ricky. I will never forget this. Maybe one day I might stop there to your store, I don't know for sure if you was working there Ricky,  
Please have Ricky Magee read this, I'm sure he may remember me since my mother's death 2 years in september. sadly, will remember him as always.
