“ To My Sonnie One So True.. Though It's only been a couple of weeks, it seems as though a lifetime has passed.. And, I, have been unwilling to give you to the Lord and let you rest in peace.. The book needs to be completed.. Maybe then there will be some closure.. but for now I need to grieve in my own way and in my own time.. you will always live in my heart.. so until I see you again in Heaven.. I love you.. Grace Marie

“ *This is to the survivors: Never take for granted one single moment with those you love; don't waste a second on cross words or hurtful things;there is not enough time in one human life to repair the damage done by one single harsh word;love one another;love yourself, for one who hates himself has no love for others;be kind and forgiving;and love the Lord your God with all of your heart and soul;make Heaven your goal and strive dailey to live so that if it all ended today,your loved ones would know beyond a shadow of a doubt that you would be taken up to Glory to reign with the saints and be seated at the feet of Jesus forever.Spit out the hatred and hidden deamons,cleans your heart and soul,try a kind word or a softer attitude,love,prepare...life is too short.....A Friend*

“ *My Dearly Beloved Sonnie, my heart is riven, my soul is crushed, you will be sorely missed by me, for there is a place in my life that can never be filled by anything or anyone...you are my hero. so brave.. You never flinched nor shead a tear... Your only concern was for me. We had a Special relationship with God and spoke with Him daily. You suffered unbearable heartaches during this life and you were overjoyed that the end was finally near...I am so proud to have been a part of this life with you...Rest gently My Love, I will be there in Glory with you before too long...So between now and then, til I see you again...I'll be loving you...Love Me*

“ *Sonnie Delite! Thank You So much for loving my sister and taking such good care of her for all these years. She loved you to the very depths of her heart and soul. And you loved her the same. Do you remember what you said when you met Roual? You told me, Little Sister, I really like your little Dude! That meant the world to me. You were the first one to tell me that I had found that kind of love (like you and Grace shared) with Roual? You were totally right. I made you a solemn, sacred promise many years ago. I promised you I'd take care of Grace and keep her safe if you could not. She is with me, and she can stay with me until God calls her to go meet you. She will never have to worry about being safe again Please rest easy, my brother. We'll all see you again on the other side. I will miss you terribly. Love Ya! Biddie and Roual Hebert*
