“ I'm pretty sure cousin Leonard was the first guitar player I ever saw in person. I also liked his Louisiana accent. Sending prayers for his family who will sadly miss this man.

“ I was saddened to just hear the news of Mr. Leonard's passing. He was a wonderful Father, husband and friend. He and my Dad, "Muscles" worked together for many years at Southern Natural Gas. As a young boy, I would spend a lot of time at his house with his son Bill. He and Ms Clara Joe would always had a good word for us from the Bible, to teach us things that were most important in life. He was a wonderful man who will be remembered for his kindness, music and his dedication to the Lord.

“ Mrs. Clara Jo, I am just seeing this about Mr. Leonard and I am shocked & so sad to hear this. He was always so special to us, not only by being a friend to our dad & playing music with him but we just learned to love both of you as dear friends. I would always have to get a hug from him when I would run into him in town. Please know how sorry we are and we will cover you with our prayers. Much love to you.
