“ Jerry and I lived down the road from mr Leroy. Sometimes we would stop and pick him up for church. I tell u he was a character. He would have us laughing all the way to church and then back home. Then our chickens started laying eggs then I became Sister egg lady he loved those fresh eggs. We will surely miss Bro. Leroy. I loved walking in the church and see him sitting there waiting for services to start. I would always say hi pawpaw He would give a big smile and wave back. How excited u must b seeing all your loved ones and Jesus. We r going to miss u.
All r love
