“ My thoughts and prayers are with each of you as you journey through this time. I do appreciate the opportunity to have met Mr. Turner and for our paths to have crossed. I remember his smile even when I knew he didn't feel well. I could tell when I met with you all the first time what a special relationship all of you share as one. I know each of you will experience the loss of Mr. Turner in different ways, but please remember the love that all of you share which is the love for him. May you have peace and feel God's arms surrounding you.

“ Jean and Family, I am so sorry I did not make it to the funeral home to express my sympathy but it is too hard to walk through the doors. I know if everyone felt this way you would have little comfort. My prayers, thoughts, and love are with you at this time and will be with you and your family in days to come. When you needsomeone to talk to other then God call I am here. I love you Jean. It is going to be lonely and family and friends will be there but it won't be the same.Keep your strength and faith.
