“ Daphne, Jan and family: I am so sorry to hear of Libby's passing. She was such a sweet person and I enjoyed talking with her through the years when I would visit Family Medical or call for Mr. Linus to work on my appliances. She is free of pain and illness and in the presence of the Lord and family who have gone on before. Carol J. Bateman

“ *In times of sorrow, when words of comfort are needed most, it seems they are most difficult to say, but may you find comfort in knowing that warm thoughts and sympathy are with you. May the love of God give you peace, may the caring of friends give you comfort, and may the memories of the one you've lost remain in your heart and give you strength through the days ahead.*

*So very sorry 📧☐ Debbie Fulcher*
