LINDA CHUMLEY BRUMFIELD, AGE 82

And a resident of Mount Hermon passed away peacefully Sunday night April 21, 2024 at her home surrounded by her loving family. She was retired after serving as the business office manager at Riverside Medical Center for over 20 years. Linda was a longtime member of Bogue Chitto Baptist Church. She loved tending to her beautiful flower beds and working in her yard. Linda made big dinners each Sunday for her family, and was an excellent cook, especially her cornbread dressing. She liked to travel and had taken trips to Hawaii, Iceland and Caribbean islands Jamaica and The Bahamas. Linda had a big heart for animals and rescued countless dogs and cats from the roadsides near her home, which would then become her pets. She had also rescued an owl and birds that she later released back to the wild. Linda was always a loving wife, mother and grandmother and she cherished all the time spent with her family.

I met Linda and Frannie many, many years ago. They were teenagers. I was younger! Even though I lived away for over 50 years, I would invariably bump into Linda, either at the hospital visiting someone or at the Fair enjoying life! I loved both of those girls! May she rest in the sweet peace of Christ and may God comfort her family as only He can...

“ I just found out this evening and am so shocked and saddened to hear this. I have so many wonderful memories of her. I first met Linda when I came to work at Riverside and she was such a guiding force for me. Everyone who met her was privileged to have known her. She was truly a compassionate person who loved her family and friends unconditionally. She was hard working and dedicated in everything she did. I will remember her sparkling eyes and sweet smile as her face lit up when she greeted you. We shared a love of flowers and almost bought a florist shop together. I know she will be missed by everyone who knew her but is now sleeping in the arms of Jesus. Adieu mon chère amie.

“ To Jenny and Family, Shocked to see news of your Mother's passing. She was a strong willed, hard working woman. My last occasion to speak with her, was when she was shopping in town for clothing to take to Iceland. I helped her find warm sweaters,etc. We laughed and had a great memory. Her excitement was real and I seldom saw her serious! You will have good memories and one day we'll see her again. HUGS, Carolyn Hughes

Linda will always hold a big place in my heart. Worked with her for years, became a close friend. Our biggest joke, she said she thought TWayne and I could be brother and sister because we both we such a headache. Always in my heart. Love this family. Gayle

Many memories come to mind as I remember my years working with Linda at RMC. We had good times, sad times, good days, bad days, but most of all, we were family. Fly high my friend, we will all meet again in God's timing.
