Linda always had a special place in her heart for her pet dogs and cats.

“ I was so surprised to found out about Ms Linda’s passing! I am her neighbor. I had just told her about I would be going out of town to take care of my Father. She would always look out for the neighborhood and especially my house right next door. I just thought that she and Sissy are together now! She was always so nice to my grandchildren! Although as a true teacher, if they were doing something they shouldn’t she would make them aware of it! Nothing like the great feeling of it takes a Village to raise good people for the future! I’m so sorry for your loss! I know she will be missed by many including myself! Sending prayers for peace and comfort during this difficult time!
