I didn't even know you were sick and passed. You brought food at hospital when Lillie's daughter was in coma and passed. Lillie told me. I know you are in Heaven now, whole and happy, no worries. I hope Jesus sends an angel to you and tell you I loved you and the Barber family ❤️❤️

I was saddened to read this obit about Linda. I also went to school with her. She was so very sweet and was always smiling. Bet she continued her life that way. Prayers and condolences to her family during this emotional time. May the peace of Christ Jesus rest in each heart.
