

Lisa Jeffries Freeman

January 16, 1975 - August 12, 2021

LISA MARIE JEFFRIES FREEMAN, AGE 46

And a resident of Franklinton, Louisiana passed away Thursday night August 12, 2021 at Riverside Medical Center. She was born on January 16, 1975 in Winchester, Virginia and later graduated from Fauquier High School, where she played on the basketball team. Lisa grew up around baseball and softball fields that created a lifelong love for those sports and others. After graduation, she joined the United States Army and served her country in Kuwait during Operation Desert Storm and was also stationed in Korea and Germany during her 5 years of military service. Lisa later moved to Franklinton where she met her husband and settled into life in Washington Parish. She loved going to the games her sons played and husband coached, while she served Franklinton Youth Baseball any way she could for 15 years. Lisa was an avid Pittsburgh Steelers fan and she enjoyed going to the beach when she visited her family in North Carolina. She enjoyed photography and took pictures of her vacation spots, beautiful sunsets and of course all the games she attended. Lisa will be sadly missed by the young men she met through sports, all the friends she made at the ballfields and certainly all her beloved family.

“ I served with Lisa (Sgt. Jeffries) in Korea. She lived right across the hall from me, and we spent many hours talking, or drinking and partying together in Seoul. She was a good friend and confidante. She was always down to accompany me to karaoke night, or to just check out random spots around Seoul. She was valued member of our tight knit little group, some of which still talk today... more than 25 years later. I know many of us did drift apart, because time does that. It wasn't intentional. It just happens... but some of those memories are as vivid today as they ever were. Lisa has an infectious smile and was truly a great friend to have. Thanks to social media we reconnected several years ago. It was great to see what had become of post-Army Lisa. She has a beautiful family. She deserved that.
