“ Dear Ena, So sorry to hear of your mother's passing. This is a difficult time for the you and the family but remember and celebrate this great woman. I remember the fun times we had in high school sitting in the family kitchen- laughing, cooking, and talking. Wish I could be there to see you because it has been along time but I will be out of town. You will be in my thoughts and prayers. Elizabeth

“ Aunt Lois will be dearly missed. Love and prayers to all the family.
In the sparkle of the morning sun, I heard the angel say "Her work
on earth is done."

Then I heard her hearty laugh and the angel said "She has peace at
last."

In the breeze that rustles by, I heard the angel say "Her spirit will
never die."

When we knew that she was gone, I heard the angel from the stars
so far above, "She left you with her love."

I thought that I would miss her and then I heard the angel say
"She's with you every day."
