“ When Skipper and I were 18 I drove into Franklinton to spend a night with him and while we were together he told me he had met Lori and it was the girl he was going to marry. At 18 I told him he was too young and I thought that it would never last. Here we are 37 years later and a lifetime of love, devotion, kids, and beautiful memories . Just goes to show how dumb I truly am. I will miss her smile
