“ Cecil and Megan I am so sorry to learn the passing of Margaret. I remember when Megan was born Keitha and I came out to the house to visit and she was so funny talking about how when you hold someone else baby and they get fussy you just give it back to mama and the day Megan was so fussy and looked around and there was no one to hand her to. I will miss her so much and you two will be in my prayers.

“ Words can not express what it was like having her for a teacher. I told her many times how she inspired my love of reading and of her kindness. I was there the day she left Franklinton High! I gave her a hug every chance I got. She is missed! I will forever remember her love of Romeo and Juliet!

“ Cecil and Megan, so sorry to hear of Margaret's passing. You know how much I loved her. She was my student and my teacher colleague. I so remember when she met you Cecil. She giggled and told me she met the man of her dreams. She was so right. I will miss her.

Love you,
