“ Gail, Bill, Jill, Melanie, and all family: So sorry for your loss! We will thinking of you all and praying for you all during this sorrowful time. We last saw Mark at another family members funeral, where we had a good talk. It was obvious that he enjoyed talking with family and being with family. So we choose to remember our talks with him. I'm sure he is in heaven probably talking with a relative right now. God Bless you all! We will be thinking of you all! Give us a call if we can help.
