“ Just as Lori said, I will never forget all the times I've shared with her and all you girls. I'll never forget the last time I saw her when she was in the hospital. When I opened the door, she said "Hey Jeannie Gayle, I was just thinking if you knew I was in here, you'd come see me." Before I left, she told me she had always loved me like one of her own because she practically raise me. I gave her a hug and kissed her on the forehead and told her I love her like a Mama too. I will never forget our conversation that night which I will hold in my heart.
