“ We shared so many fund memories and had so much fun together as well as fights LOL she is the baby of the family and was spoiled rotten, I am at peace because I know that she is in heaven. when we visited she wanted us at her house and always had lots of food to eat, made sure that we were comfortable. My children when growing up always looked forward to going to aunt Ann's, any holiday they thought that was where we should go. She always had lots of goodies and the freezer was stocked with ice cream, loved her very much I adored my sister will meet her in heaver an we will have a glad reunion, mama, daddy, brother Ray, sister Essie and Ann, my heart is broken but rejoicing too, she fought her illness hard, may she rest in peace, love you your sister Melba
