“ Jackie, Sheila, and Jewel Ann, Please know that your mother was extremely special to me. I loved her dearly. She was one of the first teachers at FHS to greet me on my first day of teaching. She was always a true Southern lady. I can envision us standing in the hallway of FHS watching our students pass by and greeting them. She will be missed by you and your family, and she will be missed by me too. I loved her like a sister. I cannot be there because I am presently out of the state, but know that my heart is with all of you.
