“ Toni and Mimi, I am so sorry for your loss. I enjoyed many good times with the two of you and Mrs Louise. We all have many good memories and stories,I had the utmost respect for Mrs Louise and will never forget her. I pray that in time that you will be able to see some peace in her passing. She is at peace now and is able to do all the things she enjoyed doing before she got sick. I get comfort in that, and I hope that you will be able to as well. Believing that has always given me comfort in the past. God Bless you all. Much Respect. Juju

“ Toni and MiMi,
I have loved our sharing of "Mom" stories. Through these, I could tell that your mom was a very special lady. The grieving process takes time and I want you to know that you will be in my prayers during the days ahead. You were a comfort to me during my time of loss and I want to be the same for you. Joy

“ Toni and Mimi,
I know mere words can never ease the pain of your loss, but please know that you are loved. If there is anything I can ever do to help you get through this time of grief, please don't hesitate to call on me.
She will NEVER leave your memories and heart. In a way she is not gone, because you keep her alive.
The pain eases after a while as you begin to realize she is in PARADISE with our Lord. She just went ahead to prepare a space for you there, as she always did here on earth.
Maybe she will meet my Mom and become friends with her in Heaven as we are here.
You are in my thoughts and prayers.

“ I extend my deepest sympathy to all of you. You will be in my thoughts and prayers.

Charlotte, I remember riding Mr. Athan Brumfield's bus with you and I thought you were so pretty and you had the same name as me. Michael and I were the same age and long after you were out of school we still rode the same bus.

Toni, I had not seen you for years and then saw you at Curves the other day. I wondered then if you realize how much like your mother you look. I will always remember her as a quiet gentle person. We would sometimes ride bicycles, walk or ride the horse to her house to play with you and Michael.

Those are special memories. I know you will miss her.
