“ Prayers are with your family at this time. My mother Barbara Clark passed away in 2010, but her and Mary Ann were cousins. My heart is with you.

“ So sorry to hear of your mother's passing. We remember many uplifting, amusing conversations with her at fair time and Pine School. She had a great outlook on life and was so independent. I know that the entire family will miss her terribly. She will not be forgotten. Remembering your family in our prayers.

“ So sorry to hear about Mary Ann's passing. When I was a child the Pentons were some of our dearest friends and I will always cherish those wonderful memories that so deeply touched my heart. My parents were Dave and Hilda King and at that time, we lived in Angie.
