“ Dear Mr. Elgin and family, We are so very sorry to learn of "Miss" Mary's death. I did not read the paper until I returned from church, so I was not able to come for the visitation or funeral. Your family meant so very much to my father and mother. Daddy spoke fondly of eating at your mother's table. We considered each of you an extension of our family. May God hold each of you in the palm of his hand as you grieve your wife and mother. May he bless each of you and make your family memories rich and comforting. Our thoughts and prayers are with you.

“ I know all too well the pain of losing loved ones and my prayers and sympathies are with you. Christ has prepared a place for us where there is no pain or suffering, and I pray you will meet her there someday. I pray for His strength to carry you through the days ahead. God bless you all.
