

Matthew Jason Seal

October 24, 1985 - December 12, 2020

MATTHEW JASON SEAL, AGE 35

And a resident of Franklinton passed away peacefully at his home Saturday afternoon December 12, 2020 surrounded by his beloved family. Matt had a long, courageous fight with diabetes since he was a teenager and battled difficult complications during the last 3 years. He was a 2004 graduate of Bowling Green School, where he played for the Buccaneer Football and Track and Field teams. Matt was also an accomplished weight lifter during his time at Bowling Green. He will also be remembered by faculty and classmates for his love of technology and his kind hearted personality that was a friend to everyone. He loved playing different sports and adventure games on his X-box. Matt was a member of Bethel Baptist Church that shared the gift of salvation with others. He had difficulty health wise, but Matt never let the disease destroy his fun-loving spirit and the care he had for other people.

“ Dearest Kenny, Debbie, Kourtney and other family members and friends, I just read about Matt's passing. The first memory of Matt's life is the amazing photo I think Debbie Sylvest made when you all went to the airport to receive your bundle of joy. Kenny held him and another father received his son that same night and he held his son other his shoulder and those two baby boys reached out to touch each others hands. Enfants shaking hands and yes heaven knows what they communicated that night to each other. Debbie, your Dad, gave him everything he wanted at Grahams Grocery. One day he was covered in melted chocolate in the back seat of Mr Pete's car. Matt sold me a deer stand at Randy Stafford's Sport Shop and offered to follow me home to make sure I wouldn't hurt myself getting it out of the car. That was the polite, caring, Christian young man Matt was and will be remembered forever. Debbie and Kenny, you gave Matt a loving home here. He is healed and suffering no longer in the arms of our Lord. Peace and comfort will come to you. Carolyn Hughes

Even when he didn't feel good. Can still hear him responding with the answer to my questions and Mrs. Janet ❤️ He had grown so tired of his battle and was ready to rest without limitations. He will be missed by us all. Love, Hugs, Thoughts and Prayers 🙏*
