“ *Your mother was my mother's foster care worker back in 1968. She was the reason I went to college and became a social worker, she made a great impact on me when she visited our home to visit with the foster children who lived in my parents home. I am sorry to hear of your loss. She touched many young children lives and made a difference.*

“ Please except our heartfelt sympathies at this time. Mrs. Maureen was truly one of the kindest people that we have ever known. When Mrs. Lexie passed away last year and Mrs. Maureen was at the Enon cemetery when we arrived there, sitting on her walker-chair, how it warmed all our hearts! What a wonderful legacy she has left here, all her children who have inherited those same warm traits. May God Bless and Keep you all is our prayer.
