

Megan Louise Magee Becker

October 11, 1990 - January 24, 2020

MEGAN LOUISE MAGEE BECKER, AGE 29

Left for her Heavenly home to be with her Lord and Savior Jesus Christ on January 24, 2020 at her home in Plover, Wisconsin. Her love and dedication to her family was central to everything she did. Megan was born to Joseph and Gwen Magee in Slidell, LA on October 11, 1990, the little sister to Brandon "Bobby" Magee. Megan will always be remembered as her daddy's "sweet little baby doll". Megan married Andrew "Andy" Becker on October 25, 2014 in Franklinton, LA. Megan and Andy made their home in Plover, WI, with their children. She was a wonderful and loving mother to her children and devoted to her husband. Her family was her heart.

Megan loved to hunt, fish and play softball and shared that love to young girls as the coach of her daughter's travel softball team. She grew up in Franklinton, LA and was a 2009 graduate of Franklinton High School where she was a proud member of the Lady Demons Softball Team. Megan took dance for many years at the Beth Stafford Dance Studio and was the Watermelon Festival Junior Miss Queen. Megan served for six years in the United States Army Reserve. She always wore a smile and was beautiful on the inside as well as on the outside.

“ *IN YOUR HEARTS FOREVER (A SOLDIERS PRAYER)*

*I appreciate the jesters,
so when you lay me to rest,
just know I did my best,
to protect this country that I love,
and only know that I look down,
down from Heaven above,
and always remember,
I'll be sending you all my love,
through this tethered vest I wear, remembering the good times we
shared, and for you to know that I wasn't scared, scared at all when
the Lord called me home, cause He knows where I belong, in your
hearts forever, so don't cry for me, just rely on the memories, and
when that glorious day had come, come when I went home to be
with the Lord, to that mansion up above, remember, I will always be,
in your hearts forever, with love, soldier from above.

“ I don't know where to start. I was heartbroken and saddened to hear the news of this beautiful soul passing on. Megan was one of my favorite Watermelon Queens and we spent a lot of time together. We lost contact throughout the years, but I thought of her often. I remember taking a cruise with her and having a fun day at Blue Bayou. She was full of life with a smile that light the room. Megan, you will be missed more than you'll ever know. Rest In Peace sweet girl, you will always be in my heart ❤️

“ Joe, so hard to lose a child, no matter how old they are. They could be 13 or 31, it doesn't matter, they or still your little girl or little man. I lost my youngest son at 34. Time and prayers will help you deal with it, but you will never get over it. Just take it one day at a time. Prayers to you and your family. God Bless. 🙏🙏

“ I remember the day I found out the two of you were going to have another baby...right after I found out we were also having another little blessing, and what a blessing those girls were indeed! As it turned out, they were born a day apart, yet another thing I will never forget, and so they had the privilege of coming up all the way through school together. Megan, what a beautiful and delightful young lady, one who will be sorely missed. I pray our Heavenly Father will comfort you during this time and in the times to come. We love you as we certainly love her. God be with us all until we meet again.

Megan was a blessing to be around. The night we were coming back from shooting, she was zipping thru the channels on the radio to hear the L S U Championship game all excited. It was very cute. She always made one smile. Megan will be greatly missed.
