“ I am saddened to learn of Mike's passing. He was such a nice and easy-going person that it was really easy to enjoy joking with him. He helped me find many parts for my old cars while he worked at NAPA, and he was really a joy to be around. Surely you will miss him more than anyone else, but I suspect there will be many others who will miss and remember him for many years. May God bless him, and you. Reggie
