“ *In loving memory of Assistant Fire Chief Michael (Mike) Seal  
"He Will Be Remembered"*  
*We are saddened to hear ,  
Of the passing of someone precious and dear  
A fellow firefighter and friend,  
For years on him you could depend  
To fight fires and keep others safe.  
He will always be remembered as being faithful and brave.  
Always helping someone's property to protect and save.  
He will be remembered as a friend anyone he would meet  
Those who knew him thought of him as kind and sweet.  
But then Cancer took its toll.  
And when the Angel called his name.  
He answered the roll  
Now around the fire department it won't be the same  
He will always be remembered and live on in each heart  
Around each Fire Department he will always be remembered as a  
hero  
And be remembered as a valuable part  
We want his family to know  
We will always remember him as a Brave hero  
By Request of Brenda  
Bates and Donald Temples
