“ *We are so sorry to hear of your loss. Brittany, I watched you at the casket and my heart broke for you. We will pray for you and Shon everyday. I found this poem I hope that it helps.*
****** I thought I saw your face today, in the sparkle of the morning sun. And then I heard the angel say, "Their work on earth is done."*
I thought I heard your voice today, then laugh your hearty laugh. And then I heard the angel say, "There's peace dear one at last."
I thought I felt your touch today, in the breeze that rustled by. And then I heard the angel say, "The spirit never dies."
I thought I saw my broken heart, in the crescent of the moon. And then I heard the angel say, "The Lord is coming soon."
I thought that you had left me, for the stars so far above. And then I heard the angel say, "They left you with their love."
I thought that I would miss you so, and never find my way. And then I heard the angel say, "They're with you every day." "The sun, the wind, the moon, the stars, will forever be around, reminding you of the love you shared, and the peace they've finally found.
