“ All Mothers, in various degrees, love their children and Grandchildren. Millie, however, loved them to the MAX. Millie was a long term employee of the Washington Parish Council on Aging serving as Bookeeper. She was instrumental in the success of this agency.

“ My thoughts and prayers are with you today. I remember many visits with Aunt Millie. She was always excited to fill me in on what her children and grandchildren were doing. She was a very proud mother and grandmother. Another great memory I have of Aunt Millie is when she taught my boys how to knit. She was so patient and kind. May the love of those around you help you through the days ahead.
