“ *Dale and Judy, I am so sorry for your loss of Missy. My prayers are with all of you at this time. I just happened to see her picture in the ActionNews17 listing and commented how much that looked like Judy "my cousin" and was so saddened to learn it was one of your children. Wished I could do more and had a magic cure for all the feelings ya'll are going through. The best I can do is pray, and I will.*

“ There are no words one can offer as real comfort at this time. Words always seem to fall short. The best I can offer is a sympathetic ear from someone who has experienced loss. My deepest condolences to all of Missy's friends & family.
