“ What an awesome man and uncle. Great heart and always a jokester. My earliest memories are from when I used to go stay with them in summer when they lived in Walker I believe. Maybe early 1980's. Good times. Very grateful to see him at some of the last few Miley Christmas gatherings. Love ya man!

Mary and family, I am so very sorry to hear of Monroe's passing. My thoughts and prayers are with you in the coming days, weeks and months ahead as you begin to adjust to being without you help mate and father. Just remember all the joyous occasions that you have had and continue to share them with each other until you are able to meet again on that wonderful shore of the banks of Jordan where we can share the greatest joys of all, singing with the Angel Choir and the ones who have gone on before. Won't that be just a Glorious day? Will be praying for you and your family.
