NATHAN WALLACE MORGAN, AGE 85

And a resident of Amite, LA went to be with his Lord and Savior on the evening of July 21, 2019 at Lakeview Regional Medical Center. He was born in the San Pedro Community of Washington Parish on June 19, 1934. He served in the United States Navy for four years in the nuclear division. After his service, he returned to Louisiana where he helped his parents on their dairy farm before marrying and buying his own dairy herd. Nathan also worked for Tarver Sales as a salesman and independent representative, selling hay equipment at dealerships and farm shows across the southeastern United States. Over the years, he benefitted neighbors and local churches with the skills he learned in the Navy by wiring houses and buildings. Since retirement he has helped his son on the dairy farm and spent countless hours watching westerns and football games with his beloved grandchildren. “ *Nathan was always a special friend. We spent 12 years as classmates. We rode the milk truck with Shelby and had great times. (This was before he became a deacon.) We kept up and even with health problems he kept his humor. He loved Alma(who was too good to him), his family, his grandkids and his church. I miss him. Finley*
