“ Sarah & Geoffrey, you were and ARE wonderful parents--never forget that. Just think, if there's Play-doh in Heaven Koda-Bear probably is keeping Dad, Alison, & Big Harold busy making play-doh balls for him. :) Bet they're having a blast! Our huge loss is his gain--he's in a perfect place and we'll be with him someday. Hang in there & know we love you MUCH. Nikkou does too.

“ I wanted to pass some words of comfort that were given to me at my time of loss. My deepest sympathies are with you and your family. Hi Mommy

Hi Mommy, I just wanted to let you know, I met some one nice today. His name is Jesus. He says you know Him, And He told me what to say.

He says you're sad and you miss me, because you only had me a short while, But I'm with baby Jesus now And happy is your child. You see we have some one up here, She's called our "Blessed Mother" And though you will always be my own , She'll be my heavenly other.

Once long ago, when she lived on earth, She had a sweet baby too. She said for me to let you know, She was very sad like you.

But when Earth's trials for you are over, Then you will really see. How happy it is for every one here Baby Jesus, Mother Mary, you and me.

“ Sara my heart cries with you because NEKODA was a very special boy. His smile would brightened a dark room. Your days are long and your nights are short for now but just remember that God sometimes needs special angels and he choose your special one. I know words are just voices in your ear for now but just remember they will comfort you and bring you a much needed peace. You are in my thoughts and prayers
