“ Ms Nelda drove the school bus I rode and played Piano in church where I grew up made the wedding cake and did the flowers when I got married she was always there to lend a hand if ever needed for any thing in our community she will be forever missed I will treasure the memories I have of her. My prayers are with Keith, Terry and her grandchildren and all of her family Keith you were truly blessed to have a mother like Ms Nelda she was an angel on earth so I know she is surely playing that piano for Jesus now and is no longer in pain. Praying for all.
