“ Our Heartfelt thoughts are with you in this hour. Ms. Nellie's gentle face and patient smile with sadness we recall. She had a kindly word for each, and died beloved by all. She will not be forgotten as long as life and memory last. God saw that she was getting tired ,so he put his arms around her, and whispered "Come With Me" No one will ever fill her vacant place. A golden heart stopped beating, a courageous fighter will be laid to rest. We loved her very much, and will miss her very much.

“ Mrs Nellie was always a graceful and quite lady with a peace that only God can give to His children. Her suffering was long but rest assured, she's with Jesus now in all her royalty. For those she left behind, I know her only wish is to one day see you in Heaven and live together forever. May the Lord bless you with peace, understanding, and comfort at the loss of a great lady.

“ Momo, I give thanks to you for being a great role model in my life. I will always love you and miss you until the day I die but I know that God has your spirit now and we have to accept that and go on with our lives. You taught me how to make chicken pie and tried to teach me to crochet years ago. We will remember you forever.
Love, your one of your granddaughters
