“ *Your mother and I worked together for many years in personnel activities between the the Personnel Board and the Health Department. She was always delightful to work with and to talk to about many things. I am so grateful that I was able to visit with her in the hospital last week and meet her son. Your Mom was a special person to me. My sympathy to all your family.*

“ *Maria was a wonderful friend. She was never at a loss for words and always ready with a chuckle - even on days when she didn't feel like laughing. I will miss her very much.*
