“ My deepest condolences to the family of Pat. I was a classmate and remember Pat as always being friendly, and a bit shy, in school. But, for the last few years, each time I would visit Franklinton, I'd run into Pat in Winn Dixie ... it seemed our meeting path. We'd talk about kids and grandchildren... she was so proud of her family. I will miss seeing her in Winn Dixie and oddly enough, was just thinking about her the other day ... before I read her obituary. My prayers are with the family and I ask that God grant each of you peace and the knowledge that she is resting in the sweet arms of Jesus. God bless you.
