“ *First Girl I ever walk the fence with while her mom was selling Avon to my mother down on Pope Road. We started the first grade together and we graduated in the same class of 1972. Lost track of her for 45 years but we had similar experiences that we both were school bus drivers for more than two decades. Amazing! I know that she will be missed.*

“ *Wow! Living so far away I miss so much. Patricia Ard and I graduated together from Pine High School in 1972. Her mom use to sale Avon to my mom back when we were in early elementary school. We use to play in my front yard and walk on a metal pipe that was on top of a fence in our front yard to see who could go the fartherest. She was a slim little girl back then. I will not forget her and the fun we had back in the early 60's. So sorry to hear of her passing. -- Pastor Bill Martin, Hot Springs, South Dakota*
