“ I am so sorry to hear Patsy passed away. Was out of town and unable to attend services. I will enjoy many memories from school day, majorette, basketball, and many days playing rummy. Sad that she is gone.

“ Martha and other family members. I am so saddened to read of Patsy Carol's death. I remember her beautiful voice at special functions at church and the many times we rehearsed and performed together. I lost contact with her but have thought of her often through the years. My prayers and thoughts are with you as you go through the difficult times. Just know God is so good and welcomes another angel to watch over us.

“ My sincere condolences to the family of Patsy Carol; what a good high school role model she was. I have fond memories of her. I knew her as a kind, smart, talented and beautiful girl. With so many attributes, no doubt she remained that way throughout her adult life. My prayers are for her family and dear friends; may God shower you with happy memories.
