Liz, Patti loved you so much and your boys and the grands. I will never forget her and how much she meant to me. Both of my sons send their condolences. I will miss her and our talks. Patti was always so excited about planning vacations going to the beach. I am so happy she got to go this past summer. I will always love her and miss her for the rest of my life. I'm sure she is watching over her daughter and granddaughter in spirit. I still just cannot believe this has happened. I'm here if you ever just want to chat about her and laugh about the many things we did together. Love you, Linda
