“ Will always remember all the 4 wheel drive riding we used to do building campfires roasting hot dogs and drinking our beverages just enjoying life. We even got off work from Southeast LA Hospital when snow and ice moved into Mandeville years ago and went home got jeep and other 4 x 4's to go riding in snow at club. Such fun we all had together. Worked with him for many years. No one could cook a better pot of pinto beans with deer sausage yum. Miss the fun we all had together and will always remember them with a smile. Thank you for sharing your desire to live it up. Rest In Peace cuz.
