“ When Sherry suggested that we get Mr Charles to play Santa Claus for some school and studio Santa sessions I had no idea what a treat I was in for!!! The star of the show was the larger than life Mrs Claus that accompanied him!!!! She had cocoa and cookies for everyone who came to see Santa. She worked the room and together they were the real deal!! Everyone would ask “Where did you find them? They are so perfect!” Mrs. Paulette was a real gem and I’m so blessed to have known her.
