“ *Peggy and I worked together in a grocery store named J&B(?) over 30 years ago. She was a hard worker, great mother and a friend. Although we lost touch when I moved away, I have thought of her often. Such a great smile, laugh and personality. I offer my sympathy to Peggy's family in their time of loss.*

always enjoyed seeing and talking to Peggy at FCC when she worked there. A hard worker and a survivor thru some tough times. Apparently a strong person raising children with many responsibilities. So sorry with prayers and thoughts for the family.

I knew Peggy mostly when I was a young girl growing up. I babysat Harold, Jr., Mike, and Alan. My mother and her mother were dear friends; the family was kind of an extension of my family. Peggy was a force in life.... she was strong! She will be incredibly missed.... but never...forgotten. Prayers and wonderful memories for this family.
