

Peter Frank Voltolina, Jr.

January 20, 1934 - September 30, 2024

PETER FRANK VOLTOLINA, JR. AGE 90

And a resident of the Pine Community passed away Monday September 30, 2024 at his home. He was a native and former longtime resident of New Orleans before moving to Washington Parish in 1979. Pete was retired after a career with the City of New Orleans, working as a civil engineer. He was a proud United States Marine Corps veteran with the rank of Sergeant, serving in the 2nd Recon Division while stationed in Okinawa and other bases. After moving to his farm, Pete began raising horses, cows and goats as well as gardening for vegetables. He later became active in a goat farmer's association. Pete was always a hard worker and talented with his hands as a welder, woodworker and leathersmith, making many leather belts and wallets. He was an excellent cook and also made different types of homemade fruit wine. Pete adored his family and grandchildren and some of their fondest memories include working with him around the farm and making Italian donuts together in his kitchen each Christmas Eve.

Survived by:

2 Daughters and a Son in law: Brenda and Terry Brumfield of Franklinton,
Carol Hall of Pine

“ *My sweet Uncle Pete. Thank you for all the wonderful memories. I was privileged to have four hours alone with you at least every three months during high school. Picking me up on a Friday to spend a weekend at the property and brining me back home early on Monday mornings, were some of the best times in my life. The stories you told me and the advise you gave me (a LOT against what my dad wanted me to do). You offered me love and support during some of my worst times. You taught me how to shoot and box and to stand up for myself (yes it's all your fault that I have a big mouth). I am so privileged to have been your niece and to have been able to say I Love You and to have you say it back to me two weeks ago. You will always be the man, the myth the legend in my mind. Thank you for loving me and my son.*
