This is a bit late but I just now found out about this 7 years after. Phil was one of the kindest most sweetest souls you would ever meet. He had a smile and an attitude that would energize and light up a room. He was truly an angel here on Earth that touched the lives of many, including mine. I shall see you in heaven one day dear friend. I can't believe he is gone 😞 Sending my deepest and most heartfelt condolences to his mother and family.

“ *Phillip, You were a great cousin and friend. When I reflect on the time we spent together, I am directed to our many moments of laughing together and debating over who told the funniest joke! Those images keep playing over and over in my mind. I will never, ever forget you and your big heart - I know I will see you again one day. I take comfort knowing your soul is at peace and that you are surrounded by loved ones who have gone on before you. You will be missed, but not forgotten, by me, the rest of your family, and all your friends. Your Cousin, Jason*
