“Buddy, Mary, A.B., Lamar and Nelline. It saddened me to once again see that one of my friends and favorite people has departed this life. Phylor was one of the best friends I ever had and such a wonderful and fun person to be around. I know how much you will miss her and there is no one who can take her place. I love you all and will be praying for you each day.

“ Words can't express my deepest sympathy for you Mrs. Mary and your family. I have missed all of you since I left the nursing home. My time there will always be dear to me for I made many wonderful friends that I will never forget. Ms. Phylor will always be remembered and she will always hold a place in my heart for all the laughs, smiles and picking the we shared. She lived a long and happy life and now its time she moved on to the best part of her life. She will always be looking down at us, watching over us. You and your family are in my thoughts and prayers.
