“ Christopher and Family-- We are heartbroken for you all since we received word. All our prayers, love and heartfelt sympathies to each and every one of you. You were beautiful boys growing up, and we were blessed to know you. Yours was a kinship we admired much, that we made sure our own children were encouraged to do the same. There are no words to express our deepest sympathies. Our hearts and prayers are with you all ❤️ --.Alissa.& Todd Vilardo, Tickfaw La.
