“ Judy and family, we are thinking and praying for your family. We loved Relton and you all dearly. We've had many great times, especially camping at Ross Barnett and the fair. I can vividly see Relton doing "the gator" and us all egging him on 😊 Our bunch enjoyed being on the hunting lease with him. Relton had a big heart and felt compassion for those in need. He was proud of his family. Both Relton and you, his family, have had some very tough struggles the last couple of years but I hope y'all can find some comfort in knowing Relton was loved by so many. Rest In Peace Relton. We love you ❤️
