

## Rickie Karl Stier

March 11, 1954 - July 16, 2024

RICKIE KARL STIER, AGE 70

And a resident of Franklinton passed away Tuesday evening July 16, 2024 at Riverside Medical Center. He was born on March 11, 1954, a native and longtime resident of New Orleans and had lived in Franklinton for the last 35 years. Rickie was retired from the off-shore petroleum industry, where he served as a supervisor and technician for diving teams and later was the superintendent of Remote Operated Vessel ships and its crew members. He loved classic cars and currently owned two beautiful ones, a 1955 Chevrolet Bel Air and 1929 Ford Model-A pickup truck. He enjoyed working on his cars and taking them to car shows throughout the area, where he liked visiting with the other “car junkie” friends that he met. Rickie liked to tend to his vegetable garden and work in his yard and property. His most cherished pastime was loving on his grandchildren and having fun with his family, often playing tricks for a good laugh. He will be forever missed by his loved ones, countless coworkers and friends.

“ Sure wish more pictures were taken of the fun memories we had hanging out together as teens. Rickie was a good friend who was always there to lend a hand. He attempted to teach me to drive a stick shift in my first car (a 69 VW bug). I'll never forget trying to drive onto Hammond Hwy. going up that hill on Lake Avenue with the clutch screaming and Rickie next to me cracking up. I did eventually master the lesson. It was at Rickies's home where Kenny and I started dating on a Thanksgiving night in 1972. Rickie was Kenny's best man at our wedding and we purchased our first homes a few doors apart in the mid-70's. Life shuffled us away in 1983 and sadly we did not stay in touch. However, Donna and Rickie did visit us a few times in later years and we always enjoyed our time together. We are greatly saddened by Rickie's passing and pray that all of his loved ones will eventually find comfort knowing they will one day be together again. Rest peacefully, Rickie - <3
