“ Big Roger.. Our hearts were filled with sorrow as we heard of your depart. We knew the road had gotten rough, but we prayed that your heart could give you a new start.  
For many years you have been apart of my families life. Always around to make everybody laugh. We watched you shoe horses and pull a good team of mules. Your laugh was infectious and you were a helping hand. Roger Hunt you were an amazing man!  
Every life has an impact on this world and you our friend did just that. We will miss you as you've touched our hearts. Those we love remain with us. For love itself lives on and all the memories remain. The most beautiful people we meet are those who've know defeat, suffering, struggle and loss yet still found their way. You will truly be missed. We must remember that  
"To everything there is a season and a time for every purpose under heaven". Shine on Big Rog.  
Mrs. Dody wishing you and your family comfort and peace at this time of sorrow, our loving thoughts embrace you. Remember that even on your darkest days there's an angel riding a horse your way. It saddens us to say goodbye but we know God will have the gates open with your wagon and mules to drive you home.

Our condolences:
